SERVICE UPGRADE

SERVICE RELOCATION

Initiating the process for service upgrade or service relocation begins with your payment of a \$250 application fee and a written request for our services from you. The \$250 fee is for our designer to execute a site evaluation with you or your contractor, and to calculate a cost estimate for your project. During the site evaluation our designer will also advise as to what work HED will be responsible for, as well as what work you or your contractor are responsible for.
