

The Town of Hardwick Electric Department Lineworker Position Opening

The Town of Hardwick Electric Department (HED) is looking for fully qualified, ambitious and enterprising First-Class Lineworkers to fill vacancies within our operations team. HED is a member of Northeast Public Power Association and Vermont Public Power Supply Authority. We have 325 miles of overhead/underground power facilities, and our service area includes over 4,000 customers in eleven Vermont towns.

Applicants must be proficient in performing all overhead/underground transmission and distribution operations, construction, maintenance, and restoration duties in accordance with industry standard safe work practices for both energized and de-energized equipment. Successful candidates will be in the on-call rotation for after-hours outage response. Operations staff are paramount - and share responsibilities with HED - in educating and developing subordinate crew members as they progress through the Vermont Department of Labor lineworker apprenticeship program. Successful candidates will also possess and maintain a Vermont Class A Commercial Driver's License. Position requires probationary period of six months.

In addition to a competitive wage, HED offers an excellent benefits package that includes a 401k Plan, pension plan, medical/dental insurance, life insurance, paid holidays, plus personal and vacation time.

The Town of Hardwick is part of Vermont's "Northeast Kingdom" where outdoor and nature enthusiasts enjoy limitless activities year-round. Skiing, snowboarding, hunting, fishing, snowmobiling, hiking, cycling, and gardening are all readily available. You can also enjoy top notch restaurants and entertainment venues in Burlington, Stowe, Montpelier and surrounding areas.
